

Let's Go - In Faith (Notes)

I. We are living in a historic time. A time of great opportunity!

A. Not everyone is struggling; some will even prosper during this time!

1. If some people are prospering in this economic climate, that means anyone can!!

2. We who have all of heaven's resources behind us should be able - above all - to rise to the top and shine brightly during this time.

3. We really must do so, or we could face a mass exodus of missionaries and missionary work this generation has seen.

B. Look at how easy it would be for someone to rise to great power or influence. The world is looking for someone with the answer.

1. We **know** the one person with the answer – JESUS!

C. Believers are in the best position to take advantage of this situation with God's favour.

D. Although we have the potential to be victorious, many of us have succumbed to the global climate of hopelessness.

E. The good news is that Jesus is available to all. As is faith in God's Word, especially when it's lived out of a full heart. We can 'school ourselves' into faith, even if we are currently in a position of hopelessness.

II. Ten things we must do when faith seems weak and victory lost:-
(adapted from Kenneth Hagin's book)

1. Recognise that all opposition comes from Satan (Acts 10:38, John 10:10)

2. God's Word must cover the thing(s) you are believing for (John 15:7)

3. Be sure you are not living in sin (Mark 11:25, I John 3:21-22)

4. Be sure no doubt or unbelief is permitted in your life concerning the promises of God (James 1:5-6)

5. Sincerely desire the benefits that you have asked of God (Ps 21:2, John 15:7)

6. Ask in faith; nothing wavering, believing you have what is asked for (Mark 11:24)

7. Do not tolerate – even for a single moment - any thought to the contrary of what you have asked for (II Corinthians 10:5)
8. Count it as done! (Mark 11:24, Romans 4:13-22)
9. Give glory to God, even before you see it manifested (Phil 4:6)
10. Act like you already have it! (Heb 11:1, Romans 4:12-22)
