## Six Weeks to Go!

We were directed into the Chief of Police's office at the Abuja Federal Territory Police Headquarters. "Welcome to Nigeria," said the Police Chief, a slender and kind looking man as he extended his hand to welcome us. Julie and I were invited to take a seat in the chairs situated near his desk while he sat down and rocked comfortably, in his worn office chair. As we introduced

ourselves and shared why we wanted to meet with him, we all became quite aware, thanks to the thin walls, that someone was being interrogated in the adjoining room; including being thrown against the other side of the wall against which Pastor Kevin was sitting!

### Let's Go Mission & Vision:

**Vision:** We see... **Closure** to the Great Commission (Mt 24:14)

**Aim:** Strategically **Mobilize** the Global Church to Proclaim Jesus Where He's Not Named (Rom 15:20)

**Mission:** By Planting Ministry Training Centres & Churches in Least Reached Nations, with a Primary Focus on Islamic North Africa & the Middle East, We are Contributing Significantly to the Closure of the Great Commission.

### Let's Go Countdown:

- **May** – Kids School lets out! Leave Tulsa!!!
- **June-Sept** -UK & Europe
- **Sept '09** -Abuja, Nigeria

After a short fifteen-minute meeting, we were only too happy to exit the fortress-like building having received what we came for. *The Chief of Police, a Muslim, offered his full support and protection – including permission to keep his personal mobile number in our phones to use whenever we need!*

**Abuja Prep & Prayer** Our time in Abuja was filled with amazing testimonies and favor. We prayed together with the Fletchers, hosted an ‘invite only’ luncheon to consult with the main influencing Pastors of the city, filmed several ‘vision clips’, toured the kid’s school and looked at possible homes. We also ministered and visited four churches – all in 6 days!

**UK & N. Ireland** I ministered a total of 26 times including WHBC & WHBTC in Manchester and Winners World Leadership Training Centre in N.

Ireland. In addition, one weekend I drove 1200 miles in order to visit four church leaders in the South of England. My visits were to build relationships and discuss how we can work together in order to be more effective in the UK. Each of the leaders I spoke with responded very positively! We have a ‘Prayer & Strategy Away Day’ scheduled for June during which leaders from throughout the UK are coming together to pray into, and strategize how ***we can plant dozens of Training Centre Campuses and 100 churches by the year 2020!***

**Let’s Go Prayer** We’ve held 6 ‘Let’s Go’ prayer meetings since last July. At each, we have prayed out more of the plan of God. This month is our last Let’s Go Prayer meeting in Alma, AR before we leave Tulsa in May. We want to open it up to anyone who is a ‘Let’s Go’ partner, or simply is interested in helping us to pray out the plan of God.

**Next Let’s Go Prayer Gathering:** Friday, April 24<sup>th</sup>, 6:30pm at Living Word River Valley. [www.lwrv.org](http://www.lwrv.org) Please RSVP to [evan@lwrv.org](mailto:evan@lwrv.org)
